Dear Madam,

Greeting from M.S.I.H.M.C.T., Pune.

We are thankful for your kind and graceful support for our initiative of inculcating an awareness of social responsibility in our students by allowing us to conduct a workshop in your organization since the last seven years. Blood donation camp report 2019

Introduction: On 6-3-2019 a blood donation camp was organized at Maharashtra State Institute of Hotel Management and Catering Technology, Pune in association with Deenanath Mangeshkar Hospital Blood bank with the aim of to encourage active participation from students to create a sense of responsibility and community engagement.

Objectives:

- To encourage active participation from students to create a sense of responsibility and community engagement
- To raising awareness about the importance of voluntary blood donation and to save lives

A dedicated Students Centred activity team of volunteers was formed to make necessary arrangements for registration. The blood donation camp took place at Banquet hall, Maharashtra State Institute of Hotel Management and Catering Technology, Pune which was equipped with designated areas for registration, medical examination, blood donation, and post-donation refreshments. Medical professionals from Deenanath Mangeshkar hospital were present to conduct the screening process and supervise the donation process. Subsequently, each potential donor underwent a thorough medical examination, including a check of haemoglobin levels, and other eligibility criteria to ensure the safety of both the donor and the recipient.

Those deemed eligible proceeded to the blood donation area, where trained phlebotomists collected the blood using sterile and disposable equipment. The process was quick and efficient, with each donor contributing approximately 450 ml of blood. A comfortable and supportive environment was maintained to alleviate any concerns or anxieties among donors.

After donating blood, participants were provided with refreshments (Tea/Coffee/energy drink/biscuits/snacks) to help replenish their energy. Additionally, each donor received a certificate of appreciation as a token of gratitude for their contribution to the community's well-being.

The blood donation camp proved to be a significant success, showcasing the power of community engagement and the willingness of individuals to contribute to the well-being of others. The success of this event encourages further efforts to organize similar camps and promote a culture of voluntary blood donation within the community.
