Annual Sports Day 2021

Sports Day Event Report: MSIHMCCT College

Introduction

On 29/05/2021, MSIHMCCTRS College Sports Day took place. It was a colourful celebration of athletics, cooperation, and friendship. The event began with a spiritual inauguration ceremony that attracted eager participants as well as academics and staff. Students participated in a wide variety of sports throughout the two-day event, which catered to a range of interests and ability levels. The Sports Day promoted inclusivity and involvement among the college community by providing something for everyone to enjoy, from classic games like Carrom and Ludo King to virtual gaming tournaments like Call of Duty. The competition stressed the value of comprehensive well-being in addition to competition. In addition to the excitement of athletic competitions, participants got the chance to engage in meditation sessions and Surya Namaskar, which promote mental and physical fitness.

The idea that sports and fitness go hand in hand was reinforced by the Hold the Plank Challenge, which pushed students to show off their fitness abilities and push their boundaries. Participants' feeling of balance and mindfulness were also promoted by these activities, in addition to good habits. At the exciting closing ceremony, which marked the end of Sports Day, participants were praised for their sportsmanship and winners were recognized for their accomplishments. Beyond the awards and medals, the occasion provided a means for students to connect, make new friends, and cherish enduring memories.

The virtues of teamwork, endurance, and resilience that are important to the collegiate ethos were exhibited by the collective spirit of sportsmanship and solidarity displayed during the event. All things considered, MSIHMCCT College Sports Day 2020-2021 served as evidence of the college's dedication to encouraging students' mental and physical health as well as their overall growth.
